Description

Rafael Estrella's Dual Language Library is dedicated to bringing classic titles to a bilingual interlinear format specifically for e-Books. This version brings you *Madame Bovary* by Gustave Flaubert. It contains the story of Emma, a dissatisfied, bored housewife who dreams of a better life while her husband remains unaware of her infidelities. I have preserved the original translation of Eleanor Marx Aveling from French to British English as much as possible. However, there have been a few clarifications and edits made. An interlinear format was preserved as much as possible but due to the length of certain sentences as well as inherent differences in grammar and punctuation between the two languages, you will find unusual breaks throughout the text. I have also added text the translator failed to include. If you find any errors, omissions or if you have any suggestions, please notify us at duallanguagelibrary@gmail.com.

Madame Bovary was written in 1856. Its author, Gustave Flaubert, was born on the 12th of

December, 1821. He died on the 8th of May, 1880 at 58 years of age. This work was translated by Eleanor Marx Aveling in 1886. She was born on the 16th of January 1855 and died on the 31st of March, 1898 at 43 years of age.

La "Bibliothèque de Langage Double Rafael Estrella" est dévolue aux titres classiques à textes parallèles/ texte alternant (français/anglais) adaptés pour e-books. Cette version vous offre Madame Bovary de Gustave Flaubert. C'est l'histoire d'Emma, une femme au foyer insatisfaite, oisive, et rêveuse dont le mari ignore ses infidélités. J'ai conservé dans la mesure du possible la traduction originale de Eleanor Marx Aveling du français à l'anglais britannique. Cependant, quelques éclaircissements et quelques modifications ont été apportées. Un format interlinéaire a été préservé autant que possible mais du fait de la longueur de certaines phrases ainsi que des différences inhérentes à la grammaire et à la ponctuation entre les deux langues, vous trouverez des pauses inhabituelles tout au long du texte. J'ai également ajouté du texte que le traducteur avait omis d'inclure. Si vous trouvez des erreurs, des omissions ou si vous avez des suggestions, merci de nous écrire à duallanguagelibrary@gmail.com.
